Two couples going from the school of GWC to the school of married life.

Our distinguished speakers from Japan.

President White sporting a new look.

Junior Julie Trogdon bids a fond farewell to Joe Alverson and Kim Wilson.

Taking It EASY

Taking time to enjoy the sunshine.

Nothing like a game of Nintendo to take your mind off classes.

The DCC provides areas to relax or do a little reading.

Good friends last a lifetime.

Enjoying football on Saturday afternoon.

Cheering the Bulldogs to victory.

Intramurals is a good way to get involved in school athletics.

Spending quality time with that special someone.

Women's volleyball team is headed for districts.

Rodney Robinson on the run-back.

PLAYING HARD

Quick throw back to first, but the runner is safe.

Up for the power . . . oops!

The women's soccer team is looking for success in its second year.

Lara Self and Brian Johnson get the crowd into the game.

The "BIG BOSSES" of the Runnin' Bulldogs.

The men's soccer team out playing for keeps.

GWC wrestling is catching on as a "top" sport.

Great teachers are the backbone of American education today. It is important that the people teaching know what they are doing.

At GWC, we have some of the best teachers in every field. From history to math, from science to religion to business — if you need to know it, someone here can tell you.

Besides school work, if you need a friend or someone to help, there are faculty members who care.

So, let's not forget the people who help make this college what it is and what it should be. Here's to all the faculty and staff!

IT'S TIME

Do You Know?

TO HIT

THE BOOKS!

New computers in Craig for English and math (above).

Dr. Glenn Bottoms provides a guiding light for students, especially in spring! He's the "Doctor of Polyester!" (below, left)

You're out on your own now! No more mom and dad telling you what to do!

Welcome to college! The campus life can be one of the most exciting things in your life.

You meet new people, make friendships that will last a lifetime, and, possibly, meet that one person with whom you are going to spend the rest of your life.

So, enjoy! Make the most of your college life and get involved. You never know who you'll meet!!

LIVING THE GOOD LIFE

HOMECOMING '91

The week of October 7 through October 13 was a week that no one will soon forget. Homecoming 1991 was filled with events for everyone.

On Monday, the students were treated to a performance by impressionist Keir. Tuesday saw bowling at the Star Lanes in Shelby. Wednesday, the ever-popular Blizzard of Bucks was back to offer cash prizes to lucky GWC students. Thursday, the SEA presented "Pretty Woman."

Friday was the beginning of the long-awaited weekend. Alumni attended a special dinner and coffee. This was followed by a Laser Light Show and a bonfire to rally the football team to win against Lenoir-Rhyne. Saturday was filled with reunions of the various classes and the Concert Choir.

Unfortunately, the team lost to the Bears, but Saturday turned out to be a day no one will forget. The day was capped off by the Homecoming Dance and the presentation of the queen and her court.

The defense works hard to stop Lenior-Rhyne.

The offensive line takes a breather during the game.

Burns High School is one of the local schools to get involved in this year's parade.

Juniors take first place in the float contest with their "TANK."

JUST FOR THE FUN OF IT!

G

W

THE QUEEN AND HER COURT

". . . And the 1991 Homecoming queen is . . ."

The crowd waited anxiously for Dan Mauney to announce the winner.

The crown this year went to Lara Self, a senior communications major. On hand to crown her successor was last year's queen, Lana Chambers.

Mary Metcalf received senior attendant. Dee Pollard was voted junior attendant, Nicole Nichols was sophomore attendant, and Kelly Ervin was freshman attendant.

Congratulations to all of these young ladies.

GWC'S FIRST GRADUATING HONORS STUDENTS

RONT (L-R) Kristy Young, Dawn Jestes Lewis. BACK (L-R) Kathy enson, Lynn Shuman Britt, Dawn Camp.

Five years ago, a group of professors and administrators had a dream.

In May, that dream will become a reality.

In the fall of 1988, Gardner-Webb joined the ranks of N.C. State and Memphis State by organizing an honors program. The program provided higher level core classes than would normally be offered. The group began small, just 14 students.

From the first group, 5 survived. Their final project was a senior thesis, with topics ranging from a study of the KKK to finding a new method of cleaning up oil spills, from the study of cells from a sea urchin to the diplomacy of Teddy Roosevelt with the Far East, to ethics in modern journalism. Each student wrote a paper and then defended it, with the help of a faculty mentor.

Congratulations to Lynn Britt, Dawn Camp, Kathy Henson, Dawn Lewis, and Kristy Young. After four long years of work, you finally made it!

Charles Barnes searches for a receiver as a Johnson C. Smith player closes in.

"GWC FOOTBALL IS HOT!"

James Ingram leads Rodney Robinson as a blocker on the kick return.

The '91 Runnin' Bulldogs came into the season ready to demolish every opponent they met. After last year's disappointing record, the team worked hard to be prepared.

The season started off successfully with a win over Johnson C. Smith.

The future looks good for Coach Fish. His young Bulldog team holds promise for several good seasons.

Sean Odom tries to go around Livingston with little success.

Andre Kwasnick goes for three more points.

Willie Bryson does a "belly-flop" over the opposing player.

Kim Tobin gets the spike over the defenders.

The women's volleyball started the year out with a new coach. Donna Robertson was named head coach, replacing Beth Ralph. She came to GWC after her graduation in 1987 and has been serving as assistant volleyball and softball coach.

Coach Robertson had high hopes for the team. These were met. At mid-season, the team was looking to make the district tournament.

Best of luck to Coach Robertson and the volleyball team in the seasons to come and in the upcoming tournament.

Everybody to the net!

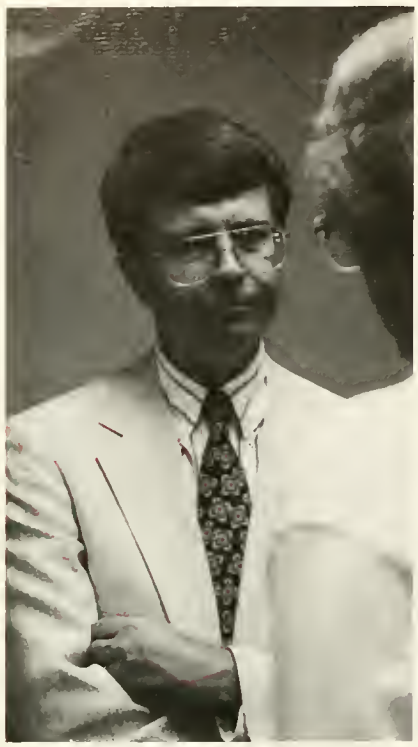
In the first year, the team was considered a club. In the 1992-1993 year, the group becomes a full-fledged competing team.

Welcome to this new sport and the best of luck to all the players involved in introducing lacrosse to GWC!

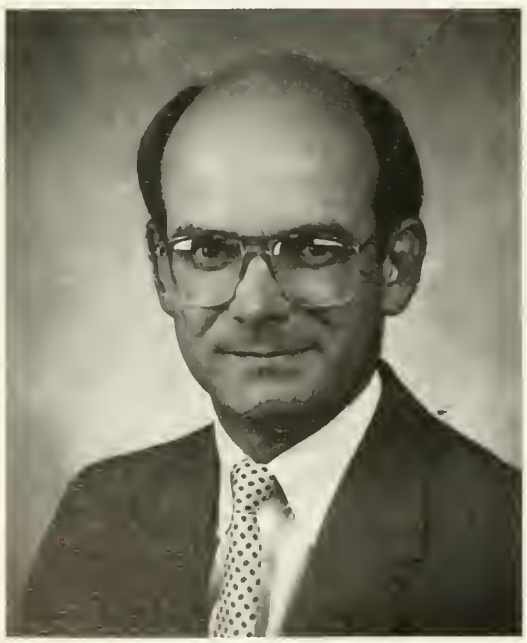
ADMINISTRATION



A moment to listen . . .

Mr. Web and Mrs. Eeds

A time to reflect



Dr. Frank Bonner,
Vice-President, Academic and Student Affairs

Dr. White has led GWC to several important goals this year, from the building of a lake and Noell Hall to consideration of university status.

Dr. Bonner has guided implementation of the new curriculum and worked on strategic planning.

Dr. Blackburn, in his first year as Academic Dean, has revised Dimensions policy, transfer policy, worked on curriculum reform, and generally improved academic operations.

Dr. Gil Blackburn, Associate Vice-President/Dean, assists Dr. White with alumni awards

Ralph (Scoot) Dixon, Vice-President for Development, directs fund-raising and has been instrumental in the large increase in gifts/grants this year. Evans Whitaker (top center) rarely relaxes his efforts. Mickey Sharpe (top left) extends a frequent smile to alumni.

Donnie Clary, Vice-President for Business/Finance, oversees physical plant and the cafeteria. Sheila Coggins assists.

Dr. Proctor computes.

Melvin Lutz advises.

Jerome Scott, Dean of Student Development, manages campus life.

Don't you just hate these formal occasions?

After a grueling performance, Dr. Stephen Plate is glad it's over.

Dr. J. Brown keeps a watchful eye on Dr. L. Brown.

GWC welcomes new members to the nursing staff, including Sherry Cannon.

Tom English, are you holding up the sign or the building?

Professors like Dr. Murrell take time out of their schedules to talk with students.

Is this truly the English department?

A FINAL FAREWELL

As my four years at Gardner-Webb come to a close, I would like to take this opportunity to reminisce on those years and to thank some very special people.

In the past years, so much has changed. I've seen GWC become environmentally aware, not as individuals, but as a campus. I've seen GWC rise to the ranks of NCAA Division II, though the football team stumbled a bit. (You guys are doing a great job. Good luck in future seasons!) Now it seems as though GWC wants to become GWU. I'm not sure it's a good idea. Let's work on the academic level before we work on the name. Either way, though, I do wish the college all the success.

I've seen the end to a beginning. As a member of the first group of students in the honor's program, I saw us as the guinea pigs. Well, Dr. Bonner, five of us made it. You didn't go wrong after all.

Congratulations to Lara Self, 1991 Homecoming Queen. You are a very beautiful and deserving young lady.

My deepest sympathies go to the family of Don Kemerait, including the college. He will be missed by all.

A special thank you to Henry Lee Weathers. Henry Lee, if you had not been my patron saint, my guardian angel, I would not have been able to finish my education. Thank you!!

Also, thank you to Dr. Bill Stowe, for keeping me on the right path, though sometimes you didn't even know which one that was. Thanks to Dr. Tony Eastman. How many people could have survived you three classes a day? You've helped me more than you'll ever know.

To the upcoming classes of GWC. Don't stop believing you can achieve your goals. Things will be rough at first. I promise no rose gardens, just roses as you achieve, and you will achieve. Julie, good luck! I've done my time, now it's your turn. Honor's program underclassmen, don't give up. The paper is not as bad as it sounds!

Finally, I must thank the two most important people to me, without whom I would never have made it this far. To God Almighty, I give all thanks for His love, His grace and His patience. And to my husband, Shawn "Flounder" Lewis. Thank you for just being beside me when I needed you, for loving me and for having the patience of a saint. I love you.

The three years I've spent trying to aim The Web in the right direction have been wonderful. Thank you Gardner-Webb and my prayers are with you always.
